

## **How to Use the SpiceBreeze eGiftcard:**

1. Select your preferred cover design from the following pages.
2. Print the page with your selected cover design on a letter size paper of your choice.
3. Print the last page on the back side.
4. Cut off the blank half part of the paper along the bold line.
5. Fold the card in the center along the thin line.
6. Add your individual message on the blank side.
